All **KUPA E-FILES** come with a one year manufacturer's limited warranty. For your protection, please read the following terms and conditions regarding the limited warranty for your Electric Filing Machine.

2 EASY WAYS TO REGISTER YOUR KUPA E-FILE:

1. **Call (800) 994-5872** and we also assist you with the registration process.
2. **Go online** and register your E-File at <https://kupainc.com/pages/warranty-register> Or scan the **QR code** to the right with your smart phone and automatically go online.

LIMITED WARRANTY

Warranty covers manufacturer defects only.

Warranty period is one year from date of purchase.

All warranty claims must be accompanied by dated receipt for proof of purchase.

THE FOLLOWING CONDITIONS VOID MANUFACTURER'S WARRANTY

- . Using oil or grease on handpiece or control box.
- . Any person other than an authorized factory trained technician servicing or disassembling handpiece or control box.
- . Dropping or excessive shock to handpiece or control box.
- . Immersing handpiece or control box in any type of disinfection or cleaning solution.
- . Inserting bent or damaged bit into the handpiece (Running the handpiece with a damaged bit will cause excessive wear to the bearings).

CARE & MAINTENANCE

Clean, disinfect and dry all bits before inserting into the handpiece. Keep the blank inside the collet when not in use. Turn power switch to the "**OFF**" position when it is not in use.

DISCLAIMER

This electric filling system is designed for use in the application of artificial nail extension products, natural nails and pedicures. Its use is recommended for licensed, professionally trained nail technicians only!

All other uses or application of this products are not recommended and will void all manufacturer's warranties.
